Good evening,

I had a Miss Tiffany Jones call in this evening wanted to report on a guest that is staying at your property. She said this guest is underage and is a prostitute. She said she caught her husband with this guest and apparently is using backpage and advertising your property as her location. I do not have any information on the guest staying. Miss Jones did not stay at the location but would like someone to reach out to her 678-361-2970.
